A. Draft Master Plan Survey – Review and Finalize

Mr. Eidelson - had previously distributed the revised draft survey that incorporates all of the proposed changes discussed by the Commission during its April 8 regular meeting. During the Board discussion this month there was a question raised about the limited space for comments.

COMMISSION – There were no recommended changes to any of the opening paragraphs. After discussion Mr. Eidelson was asked to amend the survey as appropriate to reflect the intent of the following changes:

- On question #17, at the end of the first line delete “how other people view”.
- Eliminate question #24 in its entirety.
- Change question #25 (now #24) to increase space for comments along the lines of “24) Comments, Suggestions, or Concerns? Please print neatly below”.
- In the box explaining how to return the survey, first line, bold the word “tape” that is already underlined.

Mr. Eidelson – will re-work the survey and expects to have the survey to the printer on April 22, which should be delivered to the Township by Wednesday, April 29. Clerk Kean is prepared to work on the surveys so as to have most or all of them in the mail by that Friday (May 1), or Saturday if needed.

Mr. Eidelson – does not envision having a discussion on the Master Plan during the May regular meeting, but rather during the June regular meeting.

**VI. Any Other Business**

No other business was discussed.

**VII. Additional Public Comment**

Greg Shaw – this Saturday from 10:00 am to 1:00 pm is the Rayner Park clean-up, and all volunteers are welcome; don't forget your gloves and rakes.
